CASINO VOLUNTEERS NEEDED - MAY 24/25

40 volunteers are required to staff the two days and there are a variety of positions to fill at Starlight Casino in West Edmonton Mall on May 24 and 25. No prior knowledge is required as you will be taught everything during your shift. **This event is the only fundraiser that your Community League supports and typically raises close to \$80K.** We recognize it is prime vacation season. However, we are hoping that you or a family member can sign up for a shift. You must be 18 years of age or older to work the Casino.

Please email wedgewoodcl@gmail.com if you can assist. A complete list of shifts and positions are now posted on the [website](#).
